Kentucky Chapter

Tyler joined Allard Ward Architects in 2006 as a summer intern and returned full time after graduation from Western Kentucky University in 2007. In 2008 Tyler moved to Colorado for a three and a half year sabbatical to earn his Master's Degree and would eventually return to Allard Ward Architects in 2012. With over ten years of architectural and engineering experience, and a diverse background in graphic design and computer programming, Tyler is a crucial staff member at Allard Ward.

Office Manager, Architectural and Manufacturing Sciences Institute, 2004-2007
Engineer, Air Methods Corporation, 2009-2011
Allard Ward Architects, 2006, 2007-2008, 2012- Current
